Type of activity: online

TIME: 35 minutes

STEPS:

1. The students watch the film “18 presents” before the class. In class, they are asked to take part in a competition using www.quizizz.com. I created the quiz to challenge them to remember different aspects from the film and also to encourage the speaking activity after the quiz. (15 minutes)

2. After the quiz, the students take part in a speaking activity (20 minutes)

which starts from questions like:

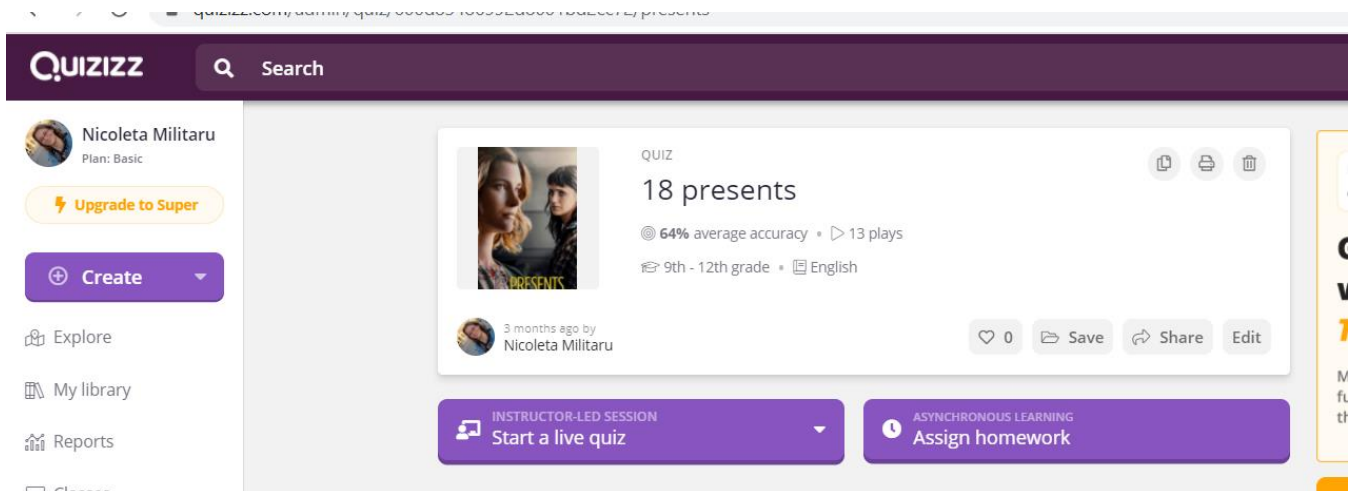

- Why is Elisa so preoccupied with the 18 presents she has to choose?
- Why does she want the 18 presents? Why not more? Why not less?
- How would you characterize Anna's relationship with her father?

Give arguments.

- Why did Elisa choose the recipe for fried apples as a last present?
- How do you think family relations and dynamic could change after Anna's return home?
- Why are family relations important?
